CONEXIÓN CON LAS MATEMÁTICAS

Units of Measurement Look at the pictures and decide if the object shown is best measured in meters or centimeters. Then write the names of the objects in order, from smallest to largest.

1 pulgada (inch) = 2.54 centímetros
1 metro = 0.39 pulgadas (inch)
1 metro = 100 centímetros

Centímetros

Metros

- 1. _____
- 2. _____
- 3. _____
- 4. _____
- 5. _____
- 6. _____
- 7. _____
- 8. _____
